

Features

- Anti-tamper switch (ATS) (Optional)
- Optimization of shape and structure to facilitate the construction systems
- Stable DC output ensures clearer video images
- Over voltage, Over current & Short circuit protected
- Key lock (KLC) for enclosure cover

Applications

- CCTV systems
- Access Controls
- Electromagnetic Locks

Description

CCTVU1205-09C is a 9 channel CCTV power supply offering universal input voltage and adjustable 12Vdc 5Amp output. Features of this CCTV power supply include stable DC output ensuring clearer video images and can include an anti-tamper switch indicating unauthorized opening of the enclosure cover.

Specification

Input Voltage	100-240V AC
Input Frequency	50-60Hz
Output voltage	12-14V DC ADJ
Output Current	5Amp
Output channel	9 channel
Ripple & Noise	≤50mV
Efficiency	≥85%
Overcurrent Protection	6A±5%
Enclosure Dimensions	203 x 163 x 54mm
Weight	1.2kg
